

AMENDED IN SENATE JUNE 5, 2014

AMENDED IN ASSEMBLY APRIL 22, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2001

Introduced by Assembly Member Ammiano

February 20, 2014

An act to amend Section 11165.15 of the Penal Code, and to amend Sections 300, 328, 329, and 331 of, to add Section 16510 to, and to add and repeal Section 18265 of, the Welfare and Institutions Code, relating to juveniles.

LEGISLATIVE COUNSEL'S DIGEST

AB 2001, as amended, Ammiano. Homeless youth: ~~support services pilot program~~; *child welfare services*.

Existing law provides that a child may come within the jurisdiction of the juvenile court and become a dependent child of the court in certain cases, including when the child has suffered, or is at substantial risk of suffering, serious physical harm or illness as a result of the willful or negligent failure of the parent or guardian to provide the child with adequate food, clothing, shelter, or medical treatment. Existing law prohibits the court, however, from finding that a child is within the jurisdiction of the juvenile court solely due to the lack of an emergency shelter for the family.

This bill would provide that a child residing in a runaway and homeless youth shelter may be found to be within the jurisdiction of the juvenile court, despite having access to temporary shelter.

Existing law requires a social worker who has cause to believe that a child has been abused or neglected to immediately conduct an

investigation to determine whether child welfare services should be offered to the family and whether proceedings in the juvenile court should be commenced. As part of that investigation, existing law requires the social worker to interview the child if he or she is 4 years of age or older and is in a foster home, juvenile hall or other custodial facility.

This bill would additionally require the social worker to interview a child who has requested child welfare services or the commencement of juvenile court proceedings. The bill would also require that if the social worker employs team decisionmaking or a similar process to determine whether to commence juvenile court proceedings in a case where a child, 12 years of age or older, has requested child welfare services, the process include the child, as well as individuals the child identifies as important to him or her.

Existing law also requires the social worker, if a person has applied to the social worker to commence proceedings in the juvenile court, to either file a petition in the juvenile court or decide not to proceed further, as specified, within 3 weeks after the application is made. Under existing law, if the social worker fails to file a petition within 3 weeks, the person making the application may apply to the juvenile court to review the social worker's decision.

This bill would require the social worker, if the application has been filed by the child who is alleged to come within the jurisdiction of the juvenile court, to file a petition in the juvenile court or decide not to proceed further within 5 days after the application, and to immediately notify the applicant of the action taken. The bill would also require the juvenile court, if the social worker fails to file a petition within 5 days and the applicant applies to the court for review of this decision, to either affirm the decision of the social worker or order him or her to commence juvenile court proceedings within 5 judicial days.

By imposing these additional duties on county social workers, this bill would impose a state-mandated local program.

Existing law provides for a system of child welfare services administered by each county, with oversight by the State Department of Social Services. ~~Existing~~

This bill would require the department, in consultation with various entities, to establish a working group to develop policy and practice recommendations to the Legislature to ensure that homeless, unaccompanied minors have timely, reliable access to appropriate placements and services through the state's child welfare system. The bill would require the working group to meet no later than April 1,

2015, and to report its recommendations to the Legislature on or before January 1, 2016.

Existing law creates the Aid to Families with Dependent Children-Foster Care program, under which a combination of state, county, and federal funds, including funds provided under Title IV-E of the federal Social Security Act, are used to provide reimbursement to families and facilities providing foster care to eligible children. Existing law establishes the Child Welfare Waiver Demonstration Project, which authorizes the State Department of Social Services to conduct a specified foster care demonstration project in up to 20 counties, to allow flexible use of federal and state foster care funds, as specified, based on the terms and conditions of the federal Title IV-E waiver.

Existing law establishes homeless youth emergency service pilot projects in the Counties of Los Angeles, Santa Clara, and San Diego, and the City and County of San Francisco. Existing law declares that the purpose of these projects is to examine the condition of homeless youth in major urban areas of this state, and to develop a profile of homeless youth in terms of background and available services, in order to locate these youth, to provide for their emergency survival needs, and to assist them in reunification with their parents or in finding a suitable home.

This bill would authorize one or more counties that participate in the Child Welfare Waiver Demonstration Project to establish a pilot program, with the approval of the State Department of Social Services, to develop and implement alternative child welfare services to meet the individual needs of homeless youth in order to reduce homelessness among children, and would require each pilot program to conclude no later than July 1, 2019, *and would repeal these provisions in January 1, 2020*. The bill would authorize each participating county to use Title IV-E funds and state foster care funds to provide long-term intensive support services to meet the needs of homeless youth, including, among other things, temporary placement in a licensed homeless youth shelter or other age-appropriate placement for 45 days with an extension of 15 days per approval of the county child welfare agency.

This bill would require the county child welfare agency, upon temporary placement of a homeless youth into a homeless youth shelter, to provide case management services, to identify appropriate long-term housing placement opportunities and wraparound services for the youth, including placement in a certified transitional housing plus program,

and to make a recommendation as to whether the youth should continue to receive long-term intensive support services through the pilot program or whether a petition should be filed to adjudicate the youth to be a dependent child of the court.

This bill would require the State Department of Social Services to, among other things, conduct an evaluation of the pilot program to determine the effectiveness of the program, and would require the department to submit to the Legislature, no later than January 1, 2019, the results of its evaluation of the program, together with its recommendation as to whether the program should be continued.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: ~~no~~-yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to provide a path
- 2 for homeless youth to receive independent living skill and homeless
- 3 services from homeless youth shelters and child welfare service
- 4 agencies under the Title IV-E of the Social Security Act (42 U.S.C.
- 5 Sec. 671 et seq.) Child Welfare Waiver Demonstration Project by
- 6 establishing a pilot program for the purpose of developing and
- 7 implementing alternative child welfare services that are directed
- 8 towards the individual needs of homeless youth in order to reduce
- 9 homelessness among children.
- 10 SEC. 2. Section 11165.15 of the Penal Code is amended to
- 11 read:
- 12 11165.15. For the purposes of this article, the fact that a child
- 13 is homeless or is classified as an unaccompanied minor, as defined
- 14 in Section 11434a of the federal McKinney-Vento Homeless
- 15 Assistance Act (42 U.S.C. Sec. 11301 et seq.), is not, in and of
- 16 itself, a sufficient basis for reporting child abuse or neglect.
- 17 Nothing in this section shall limit a mandated reporter, as defined

1 in Section 11165.7, from making a report pursuant to Section
2 11166 whenever the mandated reporter has knowledge of or
3 observes an unaccompanied minor whom the mandated reporter
4 knows or reasonably suspects to be the victim of abuse or neglect,
5 *and these reports shall be fully investigated in accordance with*
6 *applicable emergency response standards, procedures, and*
7 *guidelines.*

8 *SEC. 3. Section 300 of the Welfare and Institutions Code is*
9 *amended to read:*

10 300. Any child who comes within any of the following
11 descriptions is within the jurisdiction of the juvenile court which
12 may adjudge that person to be a dependent child of the court:

13 (a) The child has suffered, or there is a substantial risk that the
14 child will suffer, serious physical harm inflicted nonaccidentally
15 upon the child by the child's parent or guardian. For the purposes
16 of this subdivision, a court may find there is a substantial risk of
17 serious future injury based on the manner in which a less serious
18 injury was inflicted, a history of repeated inflictions of injuries on
19 the child or the child's siblings, or a combination of these and other
20 actions by the parent or guardian which indicate the child is at risk
21 of serious physical harm. For purposes of this subdivision, "serious
22 physical harm" does not include reasonable and age-appropriate
23 spanking to the buttocks where there is no evidence of serious
24 physical injury.

25 (b) The child has suffered, or there is a substantial risk that the
26 child will suffer, serious physical harm or illness, as a result of the
27 failure or inability of his or her parent or guardian to adequately
28 supervise or protect the child, or the willful or negligent failure of
29 the child's parent or guardian to adequately supervise or protect
30 the child from the conduct of the custodian with whom the child
31 has been left, or by the willful or negligent failure of the parent or
32 guardian to provide the child with adequate food, clothing, shelter,
33 or medical treatment, or by the inability of the parent or guardian
34 to provide regular care for the child due to the parent's or
35 guardian's mental illness, developmental disability, or substance
36 abuse. ~~No~~ *A child residing in a runaway and homeless youth shelter*
37 *as defined in Section 1052.35 of the Health and Safety Code may*
38 *be found to be a person described in this subdivision, despite*
39 *having access to temporary shelter. However, no child shall be*
40 *found to be a person described by this subdivision solely due to*

1 the lack of an emergency shelter for the family. Whenever it is
2 alleged that a child comes within the jurisdiction of the court on
3 the basis of the parent's or guardian's willful failure to provide
4 adequate medical treatment or specific decision to provide spiritual
5 treatment through prayer, the court shall give deference to the
6 parent's or guardian's medical treatment, nontreatment, or spiritual
7 treatment through prayer alone in accordance with the tenets and
8 practices of a recognized church or religious denomination, by an
9 accredited practitioner thereof, and shall not assume jurisdiction
10 unless necessary to protect the child from suffering serious physical
11 harm or illness. In making its determination, the court shall
12 consider (1) the nature of the treatment proposed by the parent or
13 guardian, (2) the risks to the child posed by the course of treatment
14 or nontreatment proposed by the parent or guardian, (3) the risk,
15 if any, of the course of treatment being proposed by the petitioning
16 agency, and (4) the likely success of the courses of treatment or
17 nontreatment proposed by the parent or guardian and agency. The
18 child shall continue to be a dependent child pursuant to this
19 subdivision only so long as is necessary to protect the child from
20 risk of suffering serious physical harm or illness.

21 (c) The child is suffering serious emotional damage, or is at
22 substantial risk of suffering serious emotional damage, evidenced
23 by severe anxiety, depression, withdrawal, or untoward aggressive
24 behavior toward self or others, as a result of the conduct of the
25 parent or guardian or who has no parent or guardian capable of
26 providing appropriate care. No child shall be found to be a person
27 described by this subdivision if the willful failure of the parent or
28 guardian to provide adequate mental health treatment is based on
29 a sincerely held religious belief and if a less intrusive judicial
30 intervention is available.

31 (d) The child has been sexually abused, or there is a substantial
32 risk that the child will be sexually abused, as defined in Section
33 11165.1 of the Penal Code, by his or her parent or guardian or a
34 member of his or her household, or the parent or guardian has
35 failed to adequately protect the child from sexual abuse when the
36 parent or guardian knew or reasonably should have known that
37 the child was in danger of sexual abuse.

38 (e) The child is under the age of five years and has suffered
39 severe physical abuse by a parent, or by any person known by the
40 parent, if the parent knew or reasonably should have known that

1 the person was physically abusing the child. For the purposes of
2 this subdivision, “severe physical abuse” means any of the
3 following: any single act of abuse which causes physical trauma
4 of sufficient severity that, if left untreated, would cause permanent
5 physical disfigurement, permanent physical disability, or death;
6 any single act of sexual abuse which causes significant bleeding,
7 deep bruising, or significant external or internal swelling; or more
8 than one act of physical abuse, each of which causes bleeding,
9 deep bruising, significant external or internal swelling, bone
10 fracture, or unconsciousness; or the willful, prolonged failure to
11 provide adequate food. A child may not be removed from the
12 physical custody of his or her parent or guardian on the basis of a
13 finding of severe physical abuse unless the social worker has made
14 an allegation of severe physical abuse pursuant to Section 332.

15 (f) The child’s parent or guardian caused the death of another
16 child through abuse or neglect.

17 (g) The child has been left without any provision for support;
18 physical custody of the child has been voluntarily surrendered
19 pursuant to Section 1255.7 of the Health and Safety Code and the
20 child has not been reclaimed within the 14-day period specified
21 in subdivision (e) of that section; the child’s parent has been
22 incarcerated or institutionalized and cannot arrange for the care of
23 the child; or a relative or other adult custodian with whom the child
24 resides or has been left is unwilling or unable to provide care or
25 support for the child, the whereabouts of the parent are unknown,
26 and reasonable efforts to locate the parent have been unsuccessful.

27 (h) The child has been freed for adoption by one or both parents
28 for 12 months by either relinquishment or termination of parental
29 rights or an adoption petition has not been granted.

30 (i) The child has been subjected to an act or acts of cruelty by
31 the parent or guardian or a member of his or her household, or the
32 parent or guardian has failed to adequately protect the child from
33 an act or acts of cruelty when the parent or guardian knew or
34 reasonably should have known that the child was in danger of
35 being subjected to an act or acts of cruelty.

36 (j) The child’s sibling has been abused or neglected, as defined
37 in subdivision (a), (b), (d), (e), or (i), and there is a substantial risk
38 that the child will be abused or neglected, as defined in those
39 subdivisions. The court shall consider the circumstances
40 surrounding the abuse or neglect of the sibling, the age and gender

1 of each child, the nature of the abuse or neglect of the sibling, the
2 mental condition of the parent or guardian, and any other factors
3 the court considers probative in determining whether there is a
4 substantial risk to the child.

5 It is the intent of the Legislature that nothing in this section
6 disrupt the family unnecessarily or intrude inappropriately into
7 family life, prohibit the use of reasonable methods of parental
8 discipline, or prescribe a particular method of parenting. Further,
9 nothing in this section is intended to limit the offering of voluntary
10 services to those families in need of assistance but who do not
11 come within the descriptions of this section. To the extent that
12 savings accrue to the state from child welfare services funding
13 obtained as a result of the enactment of the act that enacted this
14 section, those savings shall be used to promote services which
15 support family maintenance and family reunification plans, such
16 as client transportation, out-of-home respite care, parenting
17 training, and the provision of temporary or emergency in-home
18 caretakers and persons teaching and demonstrating homemaking
19 skills. The Legislature further declares that a physical disability,
20 such as blindness or deafness, is no bar to the raising of happy and
21 well-adjusted children and that a court's determination pursuant
22 to this section shall center upon whether a parent's disability
23 prevents him or her from exercising care and control. The
24 Legislature further declares that a child whose parent has been
25 adjudged a dependent child of the court pursuant to this section
26 shall not be considered to be at risk of abuse or neglect solely
27 because of the age, dependent status, or foster care status of the
28 parent.

29 As used in this section, "guardian" means the legal guardian of
30 the child.

31 *SEC. 4. Section 328 of the Welfare and Institutions Code is*
32 *amended to read:*

33 328. (a) Whenever the social worker has cause to believe that
34 there was or is within the county, or residing therein, a person
35 described in Section 300, the social worker shall immediately make
36 any investigation he or she deems necessary to determine whether
37 child welfare services should be offered to the family and whether
38 proceedings in the juvenile court should be commenced. If the
39 social worker determines that it is appropriate to offer child welfare
40 services to the family, the social worker shall make a referral to

1 these services pursuant to Chapter 5 (commencing with Section
2 16500) of Part 4 of Division 9. No inference regarding the
3 credibility of the allegations or the need for child welfare services
4 shall be drawn from the mere existence of a child custody or
5 visitation dispute.

6 ~~However,~~

7 *(b) However,* this section does not require an investigation by
8 the social worker with respect to a child delivered or referred to
9 any agency pursuant to Section 307.5.

21 *(d) If proceedings* are commenced, the social worker shall
22 include the substance of the interview in any written report
23 submitted at an adjudicatory hearing, or if no report is then received
24 in evidence, the social worker shall include the substance of the
25 interview in the social study required by Section 358. A referral
26 based on allegations of child abuse from the family court pursuant
27 to Section 3027 of the Family Code shall be investigated to the
28 same extent as any other child abuse allegation.

29 *(e) If the social worker employs team decisionmaking or a*
30 *similar process to determine whether to commence juvenile court*
31 *proceedings in a case where a child, 12 years of age or older, has*

35 ~~SEC. 2.~~

36 *SEC. 8. Section 18265 is added to the Welfare and Institutions*
37 *Code, immediately following Section 18260, to read:*

38 *18265. (a) (1) For the purpose of developing targeted and*
39 *specialized services for youth who are homeless, on or after July*
40 *1, 2015, one or more counties that participate in the federal Title*

1 IV-E Child Welfare Waiver Demonstration Project pursuant to
2 Section 18260 may establish a pilot program, with the approval
3 of the department, to develop and implement alternative child
4 welfare services to meet the individual needs of homeless youth
5 in order to reduce homelessness among children.

6 (2) Each pilot program established under subdivision (a) shall
7 conclude no later than July 1, 2019.

8 (b) Each pilot program established under this section may
9 include, but is not limited to, methods for the identification of
10 homeless youth for purposes of temporary placement into a
11 licensed homeless youth shelter pursuant to Section 1502.35 of
12 the Health and Safety Code, or other appropriate placement as
13 directed by the county's child welfare services agency.

14 (1) It is the intent of the Legislature that local law enforcement
15 agencies work with county and local child protective services
16 agencies to identify the appropriate placement, including placement
17 in a homeless youth shelter, for youth who come to the attention
18 of law enforcement because they are homeless.

19 (2) Upon the placement or voluntary entry of a homeless youth
20 into a homeless youth shelter, the shelter shall notify child welfare
21 services if it is determined by, and upon the recommendation of,
22 the shelter that the youth may be eligible to receive long-term
23 intensive support services under the pilot program.

24 (c) A youth identified as homeless is eligible for participation
25 in the pilot program if he or she meets all of the following criteria:

26 (1) The youth is 14 years of age or older and has been homeless
27 for at least 21 consecutive days.

28 (2) The county child welfare agency determines, upon
29 consultation with a local homeless youth shelter, if available, that
30 long-term intensive support services are needed for the youth.

31 (3) The county child welfare agency finds that there is a
32 reasonable presumption that the youth is a person described in
33 Section 300, but determines, upon consultation with a local
34 homeless youth shelter, if available, that the youth would be best
35 served by the receipt of long-term intensive support services
36 through the pilot program.

37 (d) To the extent permitted by federal law, and based on the
38 terms and conditions of the federal Title IV-E waiver, each pilot
39 program established pursuant to this section may use Title IV-E
40 and state foster care funds to provide long-term intensive support

1 services to meet the needs of homeless youth, which shall include
2 each of the following:

3 (1) Guidance to local law enforcement on when and how to
4 refer homeless youth to a local homeless youth shelter or child
5 protective services agency.

6 (2) (A) The temporary placement of a homeless youth in a
7 homeless youth shelter or other age-appropriate placement for up
8 to 45 days with an extension of 15 days per the approval of a
9 county child welfare agency. Title IV-E funding shall not be used
10 to fund the first 21 days the homeless youth is in a homeless youth
11 shelter.

12 (B) If a youth is temporarily placed in a homeless youth shelter
13 through the pilot program, the county child welfare agency shall
14 provide justification for the placement, including whether there
15 are no other appropriate residential placements available.

16 (3) Notwithstanding subdivision (c) of Section 18250,
17 wraparound services, as defined in subdivision (d) of Section 18251
18 and as described in subdivision (b) of Section 18250.

19 (e) Upon temporary placement into a homeless youth shelter
20 pursuant to paragraph (2) of subdivision (d), the county child
21 welfare agency shall do all of the following:

22 (1) Provide case management services, in coordination with
23 local homeless youth shelters, which shall include permanent and
24 stable housing, independent living skills as necessary, workforce
25 training opportunities, health and mental health services, and
26 educational opportunities, such as enrollment in the youth's school
27 district of residence as determined by the location of the youth's
28 placement.

29 (2) No later than the 30th day of placement, identify appropriate
30 long-term housing placement opportunities and wraparound
31 services for the youth, including, but not limited to, placement in
32 a certified transitional housing plus program, placement with
33 identified parents or relatives, as appropriate, foster family homes,
34 or group homes with expertise in serving homeless or runaway
35 children.

36 (3) Make a recommendation as to whether the youth should
37 continue to receive long-term intensive support services under the
38 pilot program or whether a petition should be filed to adjudicate
39 the youth to be a dependent child of the court pursuant to Section
40 360. If a determination is made that a petition should be filed, it

1 shall be filed immediately and consistent with the requirements of
2 subdivision (h).

3 (f) The department, in consultation with the California Welfare
4 Directors Association and child welfare and homeless youth
5 advocates, shall develop, no later than March 31, 2015, the
6 following standards and criteria for the pilot program:

7 (1) To the extent permitted by federal law, and based on the
8 terms and conditions of the federal Title IV-E waiver, each of the
9 following:

10 (A) The parameters on how the Title IV-E funding may be used.

11 (B) How long the Title IV-E funding may be provided, as
12 determined by outcome goals for the youth.

13 (2) The requirements on casework for the youth.

14 (3) Processes on how placements or related services may be
15 identified for the youth, including whether family reunification
16 should be pursued or whether the youth should be placed into the
17 home of a relative or nonrelated extended family member, foster
18 family home, or group home with experience in serving homeless
19 or runaway children.

20 (4) The criteria by which a homeless youth is assessed pursuant
21 to subdivision (c).

22 (g) Notwithstanding the Administrative Procedure Act (Chapter
23 3.5 (commencing with Section 11340) of Part 1 of Division 3 of
24 Title 2 of the Government Code), the department may implement
25 this section through an all-county letter or similar instructions from
26 the director.

27 (h) (1) Nothing in this section shall be construed to limit the
28 ability of a child protective services agency case worker or the
29 county child welfare agency to file a petition with the juvenile
30 court to declare a youth to be a dependent child of the court
31 pursuant to Section 325 if the youth is a person described by
32 Section 300.

33 (2) If it is determined that a petition should be filed to declare
34 the youth to be a dependent child of the court, the county child
35 welfare agency shall consult with a local homeless youth shelter
36 or other entity with expertise in providing services to homeless
37 youth in developing the petition. The county child welfare agency
38 shall comply with federal and state privacy protections in the
39 consultation and development of the petition. The petition shall
40 include, but not be limited to, all of the following considerations:

1 (A) The reasons why the youth is homeless.

2 (B) Whether the youth received long-term intensive support
3 services through the pilot program.

4 (C) When applicable, a description of the long-term intensive
5 support services received through the pilot program.

6 (D) Recommendations as to whether those long-term intensive
7 support services should be continued or modified.

8 (E) Whether additional placement considerations should be
9 made that will meet the needs of the youth.

10 (i) The department shall conduct an evaluation of the pilot
11 program established pursuant to this section to determine the
12 effectiveness of the program in developing and implementing
13 alternative child welfare services for homeless youth. The
14 department, no later than January 1, 2019, shall submit to the
15 Legislature the results of its evaluation of the pilot program,
16 together with its recommendation as to whether the program should
17 be continued or, to the extent permitted by federal law, made
18 permanent. A report submitted to the Legislature pursuant to this
19 subdivision shall be submitted in compliance with Section 9795
20 of the Government Code.

21 (j) This section shall remain in effect only until January 1, 2020,
22 and as of that date is repealed, unless a later enacted statute, that
23 is enacted before January 1, 2020, deletes or extends that date.

24 *SEC. 9. If the Commission on State Mandates determines that*
25 *this act contains costs mandated by the state, reimbursement to*
26 *local agencies and school districts for those costs shall be made*
27 *pursuant to Part 7 (commencing with Section 17500) of Division*
28 *4 of Title 2 of the Government Code.*
